

THE POWER OF ONE

**“Through Jesus, therefore,
let us continually offer to
God a sacrifice of
praise—the fruit of lips
that openly profess
His name.”**

— Hebrews 13:15

A LETTER FROM THE TEAM

In a world that moves fast and speaks even louder, we're reminded that it is a gift to pause, to breathe, to look back, and to see the unmistakable fingerprints of God across every moment and every story.

As our team reflected on this 2025 Impact Report, we found ourselves smiling, tearing up a little, and quietly saying, *"Lord, You did all of this, through One Radio, and through Your people."*

This year, we witnessed God moved in ways both familiar and fresh. He expanded our reach, opened unexpected doors, and carried the message of Jesus farther, louder, and deeper than we ever imagined when this journey began.

But at the heart of it all is a simple and beautiful truth: He used you to make it happen.

Every prayer, every share, every minute you listened, every gift you gave, helped bring hope into homes, workplaces, campuses, commutes, and quiet moments where people were searching for something positive and uplifting.

Together, you helped build new stations and streams, including One Radio Christmas and Radyo Ni Juan, our growing home for Original Pinoy Christian Music. You strengthened our digital ministry through streaming and prayer. You helped bring Christian concerts to life across the country and supported faith-based stories on the big screen. You created a space where Filipino Christian artists can be heard, seen, and celebrated. Most importantly, you helped shape moments of worship, healing, laughter, and community that continue to point people back to Jesus.

Through it all, you are helping build more than a media platform—you are part of a ministry that restores hearts, lifts burdens, and gently reminds people that Jesus is near.

That is the power of One: one message, one mission, one family, one Savior.

And together, we continue to overflow with confident hope in Him.

Thank you for standing with us, praying with us, and believing with us. The story continues, boldly, beautifully, and always positive and uplifting.

With hope,

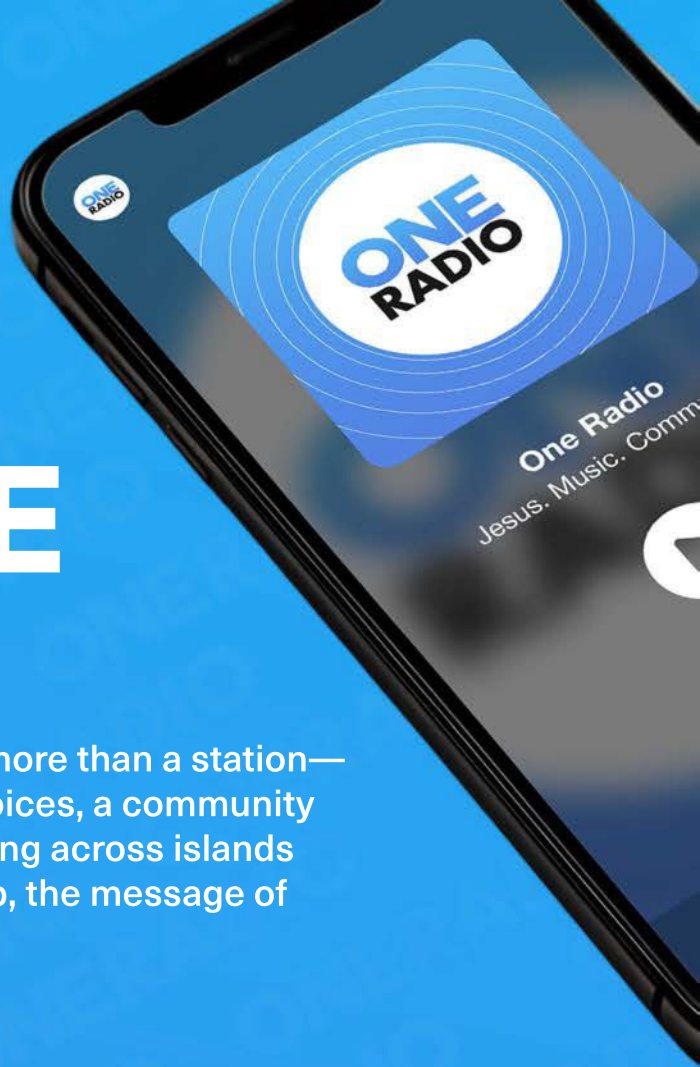

EJ Manabo

THE POWER OF OUR COLLECTIVE IMPACT

In 2025, God allowed One Radio to become more than a station—He shaped it into a movement. A chorus of voices, a community of believers, and a digital-first ministry reaching across islands and oceans. And because of your partnership, the message of Christ traveled far and wide.

JULY

PLANETSHAKERS: ABUNDANCE TOUR

In July, the atmosphere over Manila pulsed with worship as Planetshakers brought their “Abundance Tour 2025” to the SM Mall of Asia Arena for five sold-out nights (July 23–27). With planetboom leading the charge alongside Planetshakers, every night overflowed with praise, unity, and the kind of joy that shakes the soul awake.

And in the middle of that sea of worshipers, One Radio opened the doors for 10 listeners to experience worship from the front row—a once-in-a-lifetime moment where faith felt close enough to touch.

It wasn't just a concert. It was a reminder that when God gathers His people, He doesn't just fill arenas—He fills hearts. And One Radio was honored to help make that encounter possible.

FILCCOM LIVE 11

FILCCOM LIVE 11 lit up Victory Imus. It was a night woven with worship, music, and community—an evening where voices rose together and faith felt almost tangible in the air.

NOVEMBER

HILLSONG LONDON WORSHIP TOUR

The Hillsong London Asia Tour swept through Singapore, Jakarta, Davao, Cebu, Bacolod, and Manila—an unforgettable wave of worship across Southeast Asia, presented by MYLE & EKG Productions. Each stop became a sanctuary of sound, where thousands lifted one voice to honor Jesus.

As an official media partner, One Radio stepped right into the heart of the praise. We opened the gates wide for our community, giving 10 blessed listeners the chance to experience VIP worship under the open sky at the SMDC Festival Grounds in Manila.

In the middle of the music, the crowd, and the city lights, our listeners stood in the VIP section—hands raised, hearts full, worshipping Jesus with believers from every corner of the region. A moment that reminded us why we do what we do: to bring people closer to Christ, one opportunity at a time.

**RADYO NI
JUAN**

One of the most exciting milestones of 2025 was the launch of Radyo Ni Juan, One Radio's newest digital station dedicated entirely to Original Pinoy Christian Music (OPCM).

Launched on December 1, 2025, Radyo Ni Juan was created to champion Filipino worship leaders, songwriters, artists, and ministries who are using music to share the Gospel in our own language and culture.

While the number may seem modest compared to our established platforms, every new beginning starts with a single listener, a single song, and a single story.

We believe God is raising a generation of Filipino worshippers whose songs will not only bless the Philippines—but the world.
